Please help to fulfill the pioneering vision of Tsoknyi Rinpoche which will:

-  *Create a secular primary school for young girls, and a Dharma Education Center for Shedra Nuns and Rinpoche's students from all over the world*
-  *Provide young nuns with a certified primary school education and the opportunity to progress to Shedra and Three Year Retreat*
-  *Continue the lineage of the first Tsoknyi Rinpoche by providing the same monastic training for women that has been traditionally reserved for men*
-  *Cultivate these women and girls to become educated global citizens, agents of change in their communities, and models of compassion for all*
-  *Empower nuns to become among the most accomplished Buddhist practitioners and Dharma teachers in the world in the female form*
